Elkhart, Indiana

Time passes, and each generation looks
with scorn and disapproval
upon the Younger Ones.
Always they point only to the Bad Ones:
vandalism, low morals, delinquency,
Forgetting that the majority of us are good.
Let's look at the record.....

As Mr. Rice said about public criticism:*
They dislike
the way we talk, act or dress.
But beneath these outward things,
we're serious, industrious and ambitious.
We think of others, we help others,
We try. So

LET'S COUNT THE GOOD ONES . . . . .

Through science, we apply logical ideas

the clear, certain idea of truth.

Student Council SCHOOL SPIRIT: *Mr. Woodruff, Tom Byron, Fred Brandt, President*

STUDENT COUNCIL

By helping to solve school problems by acting as a connecting link between the student body and the faulty, and by promoting worthwhile projects, the Student Council serves the school and the community.

These projects maintained by the Student Council can be divided into three groups: Those which promote brotherhood, those which serve the school, and those which promote school spirit, such as sponsoring Blazer hat sales and a basketball queen.

The foreign student committee, which has secured two foreign students for the school year '63-'64, is one of the two brotherhood activities performed by the Council. In April a work day helped local citizens who needed assistance with their spring chores.

Mr. Kauffman and Mr. Updike sponsor the Student Council.

GIRLS' LEAGUE

The League of Girls is the common denominator of all the girls in Elkhart High School. Under the supervision of Miss Gookin and the committee chairmen, assemblies, welfare projects, teas, and special programs were held throughout the entire school year.

The various committes organized the traditional Kid Party, a bake sale, a clothing drive, a "Panel of Americans" assembly consisting of a Catholic, a Jewish, a Protestant and a Negro community leader, a Christmas Cookie Campaign and the College Tea.

Together with the Boys' League, the Sadie Hawkins Dance was held at Pierre Moran on May 4. To end a busy year, the traditional senior activities style show was held in May and last, the impressive Mother-Daughter Tea and Vesper Service.

BOYS' LEAGUE

One of the largest organizations in the school is Boys' League, which included every boy at EHS. Five boys were selected from each class to form an advisory council to work with the officers and the sponsor, Mr. Rogers. Under the leadership of this group, the Boy's League worked to promote brotherhood and to unify the boys at EHS.

The successful organization of a boy's cheerblock for sectional basketball games and the co-sponsorship of the Sadie Hawkins Dance in the spring were the activities sponsored by Boys' League.

NATIONAL HONOR SOCIETY

Creating enthusiasm for scholarship, stimulating desire for rendering service, promoting leadership, encouraging the development of character in the pupils of EHS—these are the goals of National Honor Society.

Under the sponsorship of Miss Zehner and Mr. Willis, the fifty-one members held their meetings bi-monthly. A portion of a regular business meeting was used for reports from the standing committees—citizenship, scholarship, tutoring, ways and means, and programs. The remaining portion was devoted to interesting programs.

The officers this year were: President, Rand Nilsson; Vice-President, Barb Rhodes; Secretary, Carol McCormack and Treasurer, Martha Stuckey.

FUTURE MEDICAL CAREERS CLUB

Sponges, clamps, and forceps were not always the topics for the meetings of the Future Medical Careers Club. The programs ranged from speakers to films to a debate on socialized medicine. Among the speakers the club was privileged to hear were Mr. Kramer from Elkhart General Hospital; our own speech therapist, Mr. Kessler; Miss Gilman from the Rehabilitation Center and Mr. Geegax, a hypnotist, who spoke on how hypnotism is used in medicine.

In January of this year, FMCC toured Elkhart General Hospital. They also toured St. Lukes Presbyterian. At the beginning of Mental Health Week, the club helped to promote good mental health.

FUTURE TEACHERS OF AMERICA

The 55 Future Teachers of America members, under Mr. Hartzler's direction have had a very active and profitable year learning more about the teaching profession through panels and guest speakers.

To honor the teachers at EHS they had a tea during American Education Week in November. During Teaching Career Month the club prepared displays and had a special program.

In February the club gave a tea for cadet teachers, P.T.A. drivers, and teachers they were working with.

Members attended the fall and spring state conventions, helped serve at the 25th Anniversary meeting of the Elkhart Teachers' Association, maintained a paperback bookstore, and installed the newly organized Goshen FTA.

FUTURE HOMEMAKERS of AMERICA

Future Homemakers of America, sponsored by Miss Amsbaugh, is a national organization with an overall goal of helping members improve personal, family and community living, both now and in the future.

EHS has two chapters of FHA—one of sophomores and one of upper classmen. At each club meeting there was a program of films, panels, or speakers related to one of the FHA goals. Activities of the club consisted of having a bake sale to raise money, and members attended the district meeting at Purdue University.

TRIPLE L

Learning, Loyalty, Leadership—these are the Triple L's which this service club honors. Members perform services for both the school and the community. This year the club ushered for the Christmas and Spring Choir Concerts, for Advanced Training Night and College Night. They also sold carnation corsages at basketball tourney time, rang bells for the March of Dimes, and visited rest homes in and around the community.

The officers of Triple L are: President, Marcia Pixey; Vice-president, Sue Baskerville; Secretary, Kathi Bushong; Treasurer, Diane Wargon; and Program Chairman, Pam Elliot.

HI-Y

Three HI-Y Clubs were organized this year—Alpha (seniors), Beta (juniors), and Gamma (sophomores). Mr. McCasland was the club sponsor.

HI-Y members have served as ushers at games, at school programs, at public affairs, (like the Passion Play). They also worked on the Dime Line and collections for the Salvation Army. At their weekly meetings, they had speakers, Max Bell and Jim Cooke with his slides of India, a panel by Y-Teens, and various types of programs.

Sheriff Woody Caton spoke at the HI-Y Induction Dinner.

Plans were made at the end of the year for members to attend the State HI-Y Convention in May. Part of this expense will be paid by the club.

Awards will be given to club members who achieved enough points. The awards are HI-Y jackets, rings, pins, and sweatshirts.

Y-TEENS

The goals of Y-Teens are to build a fellowship of girls and to increase in the knowledge of love of God. To reach these goals, the Y-Teens do many service projects, such as ushering at Symphony Concerts, making stuffed animals for children and wrapping presents at Christmas.

The Y-Teens met each Tuesday evening at the YWCA. The girls were under the guidance of Miss Barbara Thorpe, Mrs. Carol Welsch and Mrs. Barbara Bennett. Also this year, the girls had a new director, Mrs. Nancy Riggs.

The main events of the year included the Sweetheart Swing and the dedication of the new Tean-Age Room in the basement of the YWCA.

The officers of the Stage Crafts Club were: President, Dan Darling, Vice-president, Bob Huff; Secretary-treasurer, Vern Searer. The sponsor was Mr. Bussard.

Sam Harlan, Bob Wiseman

MACHINISTS

Mr. Evans became the new sponsor of the Machinist Club this year, replacing Mr. Wysong who left EHS. The club had eighteen members who met on alternate Thursdays.

Since the purpose of the club was studying the field of machine work, the club programs were devoted to discussions of machines: their parts, functions, improvements.

In order to make money for a trip to the Rosenwald Museum, club members made and sold tow ropes and car parts.

Speaker: Cal Bernard. Front Row: Tom Marchese, Carl Harrison, Larry Hitz, Dan Schwartz. Second Row: Phil Moberg, Gretchen Gable, Dick Martin, Lee Newsome, Mike Wampler. Back Row: John Wing, Mr. Ridens

The officers were: President, Dick Martin; Vice-president, Steve Poyser; Secretary, Ruth Ann Hall; Treasurer, Larry Hitz. The club was sponsored by Mr. Wagner, Mr. Ridens and Mr. Ulery.

AMATEUR RADIO CLUB

The Amateur Radio Club has been extremely busy this year. In June, the club will participate in the field trip sponsored by the American Radio Relay League. They placed second last June among US high school clubs.

The club organized the EHS two-meter phone net which meets once a week on the air. Teletype equipment, donated by the N.Y.C. Railroad, has been converted to radio use. Messages are sent all over the world via the Military Affiliated Radio System.

Aided by their sponsor, Mr. Rohrer, seven members have obtained their amateur radio licenses this year.

BIBLE CLUB

Each week this club journeys, in imagination of course, to the Holy Land, to become better acquainted with the people, the stories, and the philosophy of the Bible.

Maps, films and books help the members to orient themselves in Biblical times and places. Mr. Hartzler, the sponsor, shares with the club members his knowledge of the Bible, of its history and interpretation.

Several times during the year the Bible Club has been fortunate in hearing special religious speakers. A highlight of the year was hearing a speaker from India, L. K. Dey.

CHORAL EARS

Newly organized this year, Choral Ears was formed of those students who wanted to listen to good choral music. Membership was not limited to those enrolled in choirs.

As the recordings were played, Mr. Gowdy, the sponsor, or someone in the club, gave a brief history of the composer, and the choral group. In this way, members become acquainted with the great classical compositions, and top-ranking choral groups.

GERMAN CLUB

Mr. Brinson translates the names of the objects on the poster

Like many other language clubs, the German Club concentrates on learning the customs and culture of the country they are studying. Films, records, magazines, lectures, books—these gave them an idea of what Germany and the German people are like today, and were like in the past. Mr. Boyle told the club about his visits to the schools of Germany, and Chuck Pressler showed his films taken on his tour of Europe with the High School Band of America.

In the Spring the club went to Chicago where they ate in a German restaurant and saw a German movie. Some members of the club went to the Art Museum, others to the Planetarium.

FRENCH CLUB

The French Club, sponsored by Mr. Lavoie and Mr. Tracy met every other Thursday during the school year.

Due to its size, the club was divided into two groups—sophomores in one, juniors and seniors in another.

The purpose of the club was to acquaint its members with the aspects of French culture: people, history, customs, music. They attempted to portray these through films, games, panels, songs and speakers.

The major club activity was the French Club Supper, which was held on April 19. The club uses the money earned in this way to establish and maintain a scholarship fund.

SPANISH CLUB

The purpose of the Spanish Club is to promote understanding of the customs and traditions, as well as the language, of Spanish-speaking countries.

Our programs for this year have included movies from Mexico and a speaker from Spain. Our major activities were a ball-point pen sale and our annual trip to Chicago.

We held our meetings once a month in the cafeteria from 7:30-9:00. Our sponsors, Miss Bishop and Miss Briseno, helped to make our club very successful this year.

CURRENT EVENTS

The Current Events Club, sponsored by Mr. Williams, fulfills one of the basic parts of our Bill of Rights: freedom of speech. A variety of topics are discussed at meetings: each member is given the opportunity to express his views. Through this method each member learns what other peoples' opinions on a subject are as well as about the problems of the day. By discussing his views with those of other members. he is able to form a more accurate and broader opinion of the topics discussed.

One of the interesting things the Current Events Club did during the year was to sponsor a mock election in November. They set up booths and used sample ballots, to give students experience in voting.

Special reports and panel discussions on timely topics like the Cuban situation carry on the club purpose of being well-informed on current world affairs.

CHESS and CHECKERS

Mr. Dannheiser and George Matchette: A tense moment in tourney play

The Chess and Checker Club was founded to increase interest in the games of chess and checkers and to improve the game of its members. Chess and checkers are two of the oldest sports in the world; through them the powers of memory and concentration are increased.

During the year the members held a tournament which created great interest; winners were awarded prizes.

The Chess and Checker Club is sponsored by Mr. Dannheiser. Its officers are Skip Roy, president; Dave Evans, vice-president; Bill Searcy, treasurer; and Anita Birutschenko, secretary.

Money for the club, raised by various members, was used for buying prizes, trophies, and new chess sets.

THESPIANS

The National Thespian Society of EHS has had a productive year under the sponsorship of Mr. Van Young. A program was the main part of each meeting. Thespians participated by giving readings and demonstrations. They saw films on the theater and heard talks by drama teachers and members of the Elkhart Civic Theater.

The club also participated in other activities. Programs consisting of humorous, dramatic, oratorical and group choral readings were presented for many civic organizations. Many Thespian members also participated in the all-school play. The final project of the Thespian Society was the presentation of the second act of Thornton Wilder's *Our Town* as a homeroom program.

The high points of the year were the field trip to Chicago to see a play and the annual spring banquet, both of which took place in May.

JOURNALISM CLUB

Since there are no journalism classes at E.H.S., the Journalism Club substitutes somewhat by teaching the fundamentals of managing, editing, and writing newspapers or periodicals.

The club programs have included the study of various branches of journalism; for instance, a demonstration and discussion of news photography, a lecture on feature news writing, practice and instruction in interviewing, and a report on radio and television news reporting.

Often, Mr. Nellist, sponsor of Journalism Club, discussed related subjects; such as, publishing, procedures, methods of handling news, and the workings of a national news syndicate.

Among the speakers the club heard talks by Miss Joyce Fickies of *The Elkhart Truth*, Mr. Sam Hall of WTRC and Mr. Bill Cook of the *South Bend Tribune*. They also made two field trips through the *Truth Publishing Plant*.

VARSITY CLUB

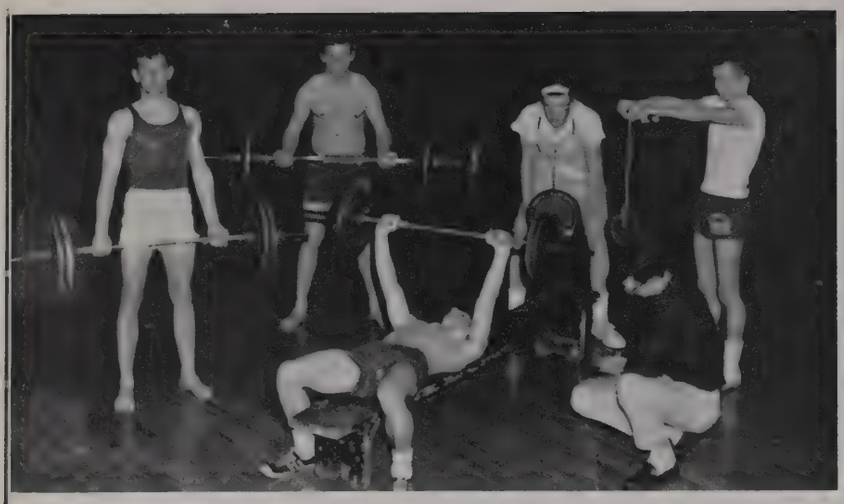

The Varsity Club, sponsored by Mr. Silcott, is composed of boys who have earned a major letter in any of the eight sports sponsored at EHS. These boys proudly wear the letter E given to all athletes on their sweaters, and also on E Jackets, which are a symbol of club membership. Stars, stripes and chevrons indicate the number of seasons spent, and the honors won.

The club is dedicated to three important functions of athletics: promoting school spirit, developing closer relationships among athletes, and promoting better sportsmanship. All EHS coaches are honorary members.

By working together on projects such as the dime line and the "Will Be-Has Been" game, the members learn the value of teamwork while aiding the school and community. The year's activities ended with a party at Copper Canyon.

WEIGHT STRENGTH

Mr. Janzaruk organized the Weight Strength Club this year for boys who want to become more physically fit.

One hundred and forty boys joined the group and most of them have been active all year; they work during their free hours, or in gym class doing isometric contraction exercises or lifting weights. (Mr. Kennedy would no doubt approve of their program.)

Some of the members have assisted the physical education teachers with their teaching of weight-strength exercises.

DISTRIBUTIVE EDUCATION CLUB

The purpose of the Distributive Education Club is to create in each member an abiding interest in his chosen occupation. The value of taking part in worthy home and community membership is stressed through numerous projects.

Their activities include attending national and state conventions, a candy sale, an employer-employee banquet and a trip to the Merchandise Mart in Chicago.

The club is sponsored by Mr. Addison.

Y-DANCE COUNCIL

The Y-Dance Council, with Mrs. Jan Ball as sponsor, provides recreation for high school students by sponsoring dances on Friday or Saturday night of each week. The Winter Cotillion, a semi-formal dance held in the Hotel Elkhart during the Christmas Holidays, is the Council's biggest project of the year.

Part of the proceeds from this year's dances were used to buy and install a Hi-Fi system for the Y-gym. The remaining money was donated to the Y.W.C.A.

RIFLE CLUB

This year, under the direction of the sponsors, Mr. Morgan, Mr. Sedgwick, Mr. Bolton, and Mrs. Ellshoff, and the officers: Tom Flanders, president; Judy Schilbach, vice-president; Joanne Radkey, secretary; Bonnie Christeon, treasurer, members of Rifle Club were able to perpetuate the purpose of the club—to promote safe riflery through instruction and the use of firearms. Instruction was carried out during the club period on the first and third Thursday of each month through the use of films and lectures.

This instruction was then put into practice on Monday, Wednesday, and Saturday of every second and fourth week of each month at the Elkhart Pistol and Rifle Range. Here, on the range, members competed for National Rifle Awards, and tried to improve their marksmanship.

Members competed in at least two matches this year: a sectional match held at Culver Military Academy and a regional match held at Bristol.

The highlight of each year is the awards banquet held in May.

MUSIC APPRECIATION

With a membership of more than 100 members, the Music Appreciation Club is one of the largest at EHS. Meetings are devoted to gaining a greater knowledge of the great musical works of the past and present. Great symphonies, as well as modern jazz, are studied and analyzed from the viewpoint of composition and performance.

The effects of music in our lives is present nearly all the time; by becoming more aware of these effects we are able to find greater enjoyment, not only in listening to music, but also by noting the value of true inspiration as expressed through music.

The Music Appreciation Club is sponsored by Mr. Davies. From his store of profound musical knowledge, Mr. Davies discusses composers, their works and recordings, and also informs his club about concerts and musical events in Elkhart and the Elkhart area.

THE PENNANT WEEKLY

The Pennant Weekly, which was published twenty-nine times this year, is a student newspaper. The staff of student editors and writers, headed by Valerie Cocks, as well as the students in the printshop, do their best to bring the students a good newspaper.

The newspaper articles are composed about a week before the readers buy the four-page issue. The articles are then sent to the high school printshop where students set them in type to make galley proofs, which are returned to the printshop after having been corrected by the editorial staff. The corrected type is at last placed in a chase, a form to hold two pages of type. After placing the chase in the printing press, the printshop boys run off a page proof to be corrected by the editors. With all corrections made, the newspaper goes to press; and fourteen-hundred copies of the issue appear on the newstands on Friday morning.

Mrs. Kambs and Mr. Gowdy join forces

Many activities kept the EHS choirs very busy from the first of September until the last of May. On Thursday, December 6, the first concert of the year was presented. The concert that night went off very well; another one followed Saturday evening; and a matinee was presented Friday afternoon. A few weeks later, the choirs went carolling; they sang at the hospital and at several nursing homes in our area.

As the year went by, the choirs kept singing: right into the Local Choral Festival. At that time, the choirs from the three junior high schools joined for a very informal concert.

Then, in January, it was time for the local solo and ensemble contest; soon after came the district contest; then came the state contest. Elkhart, which has one of the finest musical programs in Northern Indiana, was well represented by these students. Another activity that all choir members participated in was the Quad City Festival held in Michigan City. The conductor was Dr. Richard Rosewall from the New England Conservatory of Music in Boston.

By the time of the Spring Concert the choirs had gained experience and presented a very difficult concert. Two medleys of Jerome Kern's "Silhouettes" and "A Serenade to Spring," were presented with the combined efforts of the Choirs and the EHS Symphony Orchestra, and each choir sang individual numbers.

The Choir Banquet was the last time for the choir members to all be together before the seniors graduated. Naturally, the entertainment for the evening was furnished by volunteer singers, which everyone enjoyed.

The Concert Choir, as usual, had an extra busy year, starting at Epworth Forest with three-day choir camp. Some of the former EHS choir members went along as chaperones and as sectional leaders.

In January the choir gave an assembly at North Side Junior High School. They also gave programs for the Rotary Club, the Kiwanis Club and the Lions Club. The choir sang at the Christmas assembly, and lent their voices to the "Sing Along With Pop" assembly.

In December they taped a Christmas program at the WSJV studio. This program, shown on Christmas Day. contained music from the Christmas Concert.

Again, at the Senior Band and Orchestra Concert, the choir joined to perform "Manhattan Towers" with the orchestra. A trip to Chicago, a choir party, and singing for Baccalaureate ended the activities of the Concert Choir.

Of course, all of this success would not be possible without our director, Mr. Gowdy and our accompanist, Mrs. Kambs.

EHS CONCERT ORCHESTRA

All EHS students are proud to have an orchestra of the size and caliber of the EHS Orchestra. The selections as well as the performance of the members rank among the highest in the nation.

The first performance of the year was the sophomore concert. This concert featured a soloist and works such as: "Zampa" and the music from "West Side Story."

The second concert of the year was one of the best in the orchestra's history; it featured an outstanding soloist as well as great classical works by composers, such as: Brahms, Tschaikowsky and Mozart.

In March, along with the Concert Band, the orchestra went on a concert tour. They played two concerts: one at Adrian, Michigan; one at Fostoria, Ohio where they received the key to the city. Both organizations also participated in the state band and orchestra contest at Crown Point, Indiana.

EHS CONCERT BAND

Roy Malitzke, Boy's Social Chairman; Chuck Bontrager, Vice President; Chuck Renaldi, President; Carol McCormick, Girl's Social Chairman; Louise Glass, Secretary-Treasurer

The band started out the year by marching at the football games. Each Thursday during band period, every Thursday night before a home game and every Friday during band period, the band could be found at Rice Field, practicing for the half-time shows on Friday nights. The band members were required to memorize three or four new formations and the music to fit the formations in the short space of two days. These half-time shows were climaxed with a lighted show and a tribute to the Seattle Worlds Fair.

Less than two weeks after marching season ended, the band performed in its first concert; this concert featured a sophomore soloist and a Musicarama from "Viva Mexico Suite."

The second concert featured another fine soloist, the "Mignon Overture" by Thomas besides the very intricate fourth movement from "Symphony for Band" by Persichetti. This concert also included the EHS Dance Band and the Cadet Band, which appeared in uniform for the first time.

The band ended the concert season by playing its senior concert and participating in commencement exercises.

EHS FOOTBALL COACHES

EHS is fortunate in having a fine coaching staff; the men who coach football are especially good. Jan is a coach who can both drive and inspire; Camp is an experienced , versatile line coach; Rollie Hoover is a popular guy that any boy would fight for; Jim Bartlett does a super job with the second team and Cavitt is a perfectionist who teaches the tackles to play a clean game.

Elkhart opened the football season with two wins,

The EHS football squad opened their gridiron season on September 1, at Hobart. The Blazers played a great defensive game and made good use of a break to score a touchdown in the last period. The only touchdown of the game was scored by John Chester on a pass from Fred Brandt. The final score was 6-0.

Elkhart was also successful the following week when they played their first home game of the season againt F. W. North. The Blazers romped to a 46-7 score with Allen Middleton leading the team with 3 touchdowns.

training paid off;

The following Friday Elkhart played what has been described as the roughest and most rugged game of the season. Elkhart went to Mishawaka as the underdog. The teams fought to a 0-0 tie. As the score indicates, the game was a tremendous defensive effort by both teams.

After the tie with Mishawaka, the Blazers met South Bend Washington, the defending conference champs. The Panthers scored early to take a lead of 13-0. That was enough to inflict the first loss upon the Blazers. The final score was 13-7.

The fifth game of the season pitted Elkhart against La Porte, Elkhart lost their second consecutive football game to the tune of 28-18. Elkhart showed fine comeback spirit after La Porte had gained a large lead.

The Blazers lost their third in a row with a loss to South Bend Riley. Intercepted passes and fumbles kept the Blazers from putting any kind of a scoring march together. Elkhart's only score came from an 89-yard kickoff return by Dan Johnson. The final score was 19-6. The Wildcats went on to win the conference.

Basketball got off to a good start,

The young Blazer basketball team started the season off on the right foot with a 62-54 victory over Nappanee. The inexperienced squad showed much promise in their opening debut.

The following weekend the Blazers split a pair of games. Although Ted Reasoner had one of his most outstanding games of the season, the Blazers lost a squeaker to East Chicago Washington by a score of 59-57 in overtime. Ted Reasoner tallied 27 points to lead the Blazers.

The following night the Elkhart Blazers bounced back to hand the Penn Kingsmen their first defeat of the season, 60-52. Ted Reasoner led the attack again with 20 points. The rebounding of Dick Penrod and Reasoner was a key factor in the Blazer triumph.

The hard-fighting Blazers developed a reputation of becoming a second-half team. In the following weekend's twin bill, the Blazers came from behind in both games to defeat La Porte and Marion. Dean Foster led the scorers in the La Porte game with 18 points. The final score was Elkhart 66 and La Porte 55. Against the Marion Giants, Ted Reasoner helped lead the way with 18 points in a 57 to 49 win.

The Blazer squad was dealt their first East NIHSC loss by Mishawaka 40-37. The Blazer's poor rebounding was the major cause for the upset. Ichilles Terry took home the scoring honors with 16 points.

We won the holiday tourney,

The Elkhart Blazers playing host to Mentone, East Chicago Roosevelt, and South Bend St. Joe opened the Holiday Tourney with a 59-47 victory over South Bend St. Joe. In the championship game, Elkhart had a surprisingly easy victory over the previously undefeated Mentone Bulldogs. EHS won to a tune of 68-55. Ted Reasoner was the top scorer in the tourney with 31 points.

The following weekend was a hectic one for the Blazers as they dropped two games. On Friday night the Blazers met Michigan City who were rated No. 1 in the state at that time. The Blazers held a nice lead at half-time but could not hang on and consequently lost 69-51.

In the Columbia City game the score was nip and tuck all the way; however, the Blazers were at the short end of the score when the horn sounded. Howard Babcock, starting his first varsity game, scored 15 points to lead the team in scoring. The final score was 63-58 in favor of Columbia City.

losing streak,

Fort Wayne North handed the Blazers their third straight loss 53-47, for Elkhart's seventh loss in fifteen starts. Elkhart led in the game for three quarters but couldn't hold it in the final quarter.

The Blazers dropped their eighth and ninth games of the season the following weekend to Fort Wayne Central and Goshen. The Blazers fought through some of the roughest opposition they could have faced yet, but they just couldn't pull out on top. The Loopmen dropped one to F. W. Central by a score of 61-51. In the Goshen game Elkhart played terrific defense on the hot shooting Redskins, but the Blazers didn't get enough help on offense. The Blazers, consequently, lost a heartbreaker 43-39 to our old rivals.

due to inexperience,

The squad continued to stumble, dropping a 58-57 game to South Bend Riley in an overtime. Elkhart's shooting percentage showed much improvement, but the ball handling was terrible. Ted Reasoner topped Elkhart again with 17 points.

Max Bell's Blazers suffered their seventh straight loss the following Friday by dropping a 60-52 decision to South Bend Adams. The team showed very little spirit in the game.

Elkhart dropped its eighth straight game to second-ranked South Bend Central 65-61 the following Friday. The Blazers played perhaps their best game of the season.

The students display their enthusiasm at a pep session

However, we looked good in Sectionals,

The Blazers ended their eight game losing streak by downing Wakarusa 69-25 in the Sectional. The following game saw Elkhart easily defeating Topeka 65-38. In the Sectional semi-finals, the Blazers were defeated by the Nappanee Bulldogs 60-57 in overtime. Dean Foster led the Blazers with 16 points.

Throughout the year the Pep Club, sponsored by Mr. Dannheiser and headed by Eddie Drexler, did a fine job of encouraging school spirit.

Club members put up banners and posters urging support of the Blazers, and planned a number of spirited pep sessions.

Ed Drexler, Pep Club president, and Georgia Palumbo put up a poster

and looked ahead to a better season

The team ended the season with an overall 10-13 record. This was our first losing season since 1955. Even though the team had a losing record, many of us will expect much better results from next year's team since the first five will return the following year. The entire team loses only one man through graduation, Terry Amos.

Junior guard Dean Foster was honored as Elkhart's most valuable player at the annual banquet, sponsored by the Jaycees, held at the Elks Country Club. Foster was also voted the honorary captaincy by his teammates. Howard Babcock won the varsity free throw award. Denny Ulrey, a B team forward, won the award for having the best free throw shooting average on the B team. Phil Eskew, commissioner of the Indiana High School Athletic Association, was the featured speaker.

EHS BASKETBALL COACHES

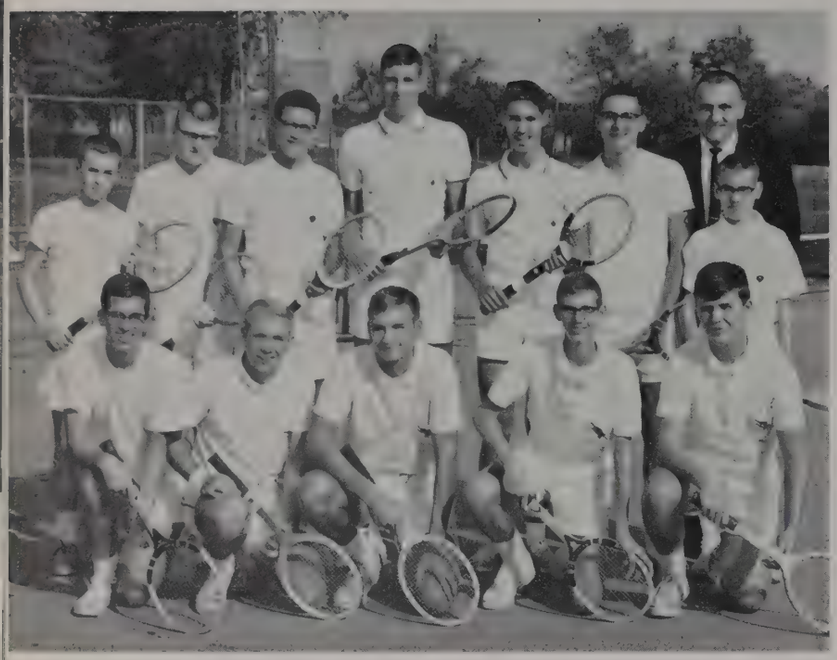

Basketball at EHS would not be such a thrilling story for the school and community rooters without Max Bell; he is Mr. Basketball. His drive and skill combine to build not only a squad but also men.

Joe Harvey deserves much credit for his work, primarily concerned with forwards and centers.

Jerry Hostetler has produced many fine B teams which feed good players into varsity squads.

The trophy winners include Howard Babcock, varsity free throw trophy winner; Dean Foster, most valuable player; and Denny Ulery, Bee team free throw award winner

NETTERS: CONFERENCE CHAMPS

The EHS tennis team enjoyed another great season, under the direction of Coach Grover Smith. The netters compiled a very fine 8-1 record to win the conference. The only loss of the season came against Hammond, for the entire Northern Indiana crown.

In their first match of the season, the Blazer squad defeated S. B. Adams both in singles and in doubles by a 5-0 score. The second match found Elkhart over-running S. B. Riley also by a 5-0 score. The Blazers were finally scored upon against Michigan City; however, they still recorded an easy 4-1 victory over the Red Devils.

The Blazers remained on their victory streak with whitewashes against S. B. Central, Mishawaka, and La Porte by scores of 5-0. Elkhart won its seventh straight match against Fort Wayne North by a narrow margin of 3-2. The following match pitted the Blazers against the also undefeated Goshen Redskins. This match turned out to be the longest of the season, but Elkhart still won 3-2. Elkhart now had only Hammond to play for the NIHSC championship. The title match saw Elkhart lose its first match of the season 3-2.

Gene Havrilenko was elected captain of this year's great team. The squad loses the top three players through graduation: Gene Havrilenko, Denny Kulp, and Dave McFarland.

HARRIERS WIN CONFERENCE CROWN

Although Coach Joe Harvey had the youngest cross country team in his years of coaching, the team compiled a 9-0 record in the conference.

In tournament competition, the thin-clad runners placed first in the sectional, fourth in the regional, and eleventh in the state finals. In other tourneys the Blazers finished eighteenth in the Shortridge Invitational and fourth in the Riley Invitational.

The letter winners this season were: Richard Gygi, Captain; Tom Billings, Steve Pletcher, Steve Ulis, Dennis Hooley, Gordon Sinning, Matthew Jordan, and Bill Willis. From these eight major award winners, only two are seniors. Coach Joe Harvey should have a bright outlook for next year's season.

WRESTLING

The EHS Varsity Wrestling team had an overall record of 6 wins and 5 losses. The Blazers won their own sectional which was held in Elkhart for the first time. Bob Thomas, Art Pressler, and Dave Kratzer were sectional winners.

Bobby Thomas with a fine record of 17 wins and only 2 losses, captured his second Northern Indiana Conference Championship in the 106-lb. division.

Al Reames had a good 13 and 3 record in the 133-lb. class, and won the Eastern Division NIHSC Championship. He was also elected Captain.

The team was hampered by injuries and inexperience throughout the year. Coach Rollie Hoover suffered a back injury and John Janzaruk took over the coaching job for Hoover.

Steve Gard was the top wrestler on the Bee-team with a fine 8-1-1 record. The team as a whole had a 5 and 6 record.

TRACK

With nineteen returning lettermen, Coach Matt Ronzone opened the season with an indoor meet at Notre Dame. Although Elkhart placed third in this indoor meet, since then, the Blazers have run up the dual meet winning streak to fifteen since last year. This year's dual record stands at 6-0 at this time.

There have been many outstanding performers up to this time, May 1. Ichilles Terry and Tom Clarkson have each fine times of 10.5 in 100. Stan Gill has run the 220 in an excellent time of 22.5. John Chester, the honorary captain, has done the 440 in 53 seconds flat. Tom Billings, Dick Gygi, and Clarence Clarkson have all done the half mile in the time close to 2:05. Gordon Sinning's best time in the mile has been 4:45.9. Tom Scoville and Dean Trindle have thus far recorded excellent times in the hurdles. Tom Scoville has had an unofficial 20.0 in the low hurdles. Dick Penrod has had an official leap of 6′2″ in the high jump. Allen Middleton has had a best of 20′4″ in the broad jump. In the pole vault, Ron Rief and Al Reames have both leaped an excellent 12′2″. Our shot put has been one of our biggest point getters, led by Bill McDowell, Dave Pippenger, and Steve Campagnoli.

Our Blazer trackmen certainly do deserve a lot of credit for being one of the finest squads in northern Indiana.

BASEBALL

"If we get good pitching, we should do all right." This is how Coach Jerry Hostetler summed up the Elkhart baseball team for the 1963 season. This pitching burden will fall mainly on the capable arm of returning letterman, Ron Cittadine. Ron Mathis and Bob Myers are the team's only other lettermen. Seniors Lucky Miller and Marv Long will patrol center and right fields, respectively. Juniors Mark Fessenden, Lee Bradley, Steve Gard, Jerry Wedge, and Timm Rinehart will fill the rest of the positions.

Thus far, May 1, the Blazers have split six decisions at Studebaker Park. They downed Niles, South Bend St. Joseph, and Goshen. La Porte and Mishawaka squeaked out narrow wins over the Blazers. Then, in the first conference game, a strong South Bend Central team beat the Blazers on Mike Otolski's extra inning home run.

Lee Bradley leads the team in hitting with a .475 mark. Cittadene, Myers, and Fessenden are also hitting well over .300. Fred Kery, Rick Barbour, and Cittadine have pitched steady baseball for the Blazers. On the whole, if the pitching and hitting continue to hold up, the EHS baseball team should have a very profitable season.

Squad: left to right, Coach Max Bell, Wally Weiss, Gregg Yoder, John Conner, Bob Burnstine, Dave Hunn

GOLF

The Blazer golfers coached by Max Bell, had three returning lettermen from last year's team; this year they have combined a fine 6-2 record with about 15 matches remaining as of May 1. Among these final matches are included three invitationals and the state finals.

Leading the Blazer golfers this year is junior, Greg Yoder, who has compiled a 76 average for the first part of the season. Backing up Yoder are senior, Wally Weiss, and juniors, Dave Hunn, John Conner, Bob Burnstine, and Dean Foster.

Since EHS has no definite golf course, they use three local courses: Elks, Elcona, and Four Lakes.

OUR ADMINISTRATORS

Superintendent Rice and President Melvin Glendenning discuss the location of a new high school

Every Monday night a group of five public-spirited citizens, the Board of School Trustees, meets with Superintendent Rice to discuss school matters in Elkhart.

Their problems fall into three categories: the planning of the curriculum, hiring of new teachers, planning of the policies which govern the 459 teachers and 9,715 students in the Elkhart schools and finally, the building and maintaining of schools and playgrounds.

Deeply interested in the kind of education provided for Elkhart youth, these Elkhartans spend many hours in this special kind of service to the community.

The Board of School Trustees—Mrs. Milo Lundt, Mr. Ralph Miller, Mr Elwood E. Brannan, Mr. Melvin Glendenning, and Rev. E. G. Prasse

Mr. Maurice Burns, the school business manager, not only handles all school finances but also presents, and defends, the budget to the tax board (showing the needs of the schools if an effective program is to be carried out)

Mr. Joe L. Shanahan is the superintendent of buildings and grounds, which means that it is his job to supervise the building of new schools, the remodeling and maintenance of old ones, and the custodial care of these buildings, and their playgrounds

Counsellors: Seated—Mr. Scher, Miss Kirkland, Miss McKeehan, Miss Dalton, Miss Deal, Mr. Kauffman. Standing—Mr. McHargue, Mr. Morgan, Mr. Hart

THE EHS GUIDANCE PLAN

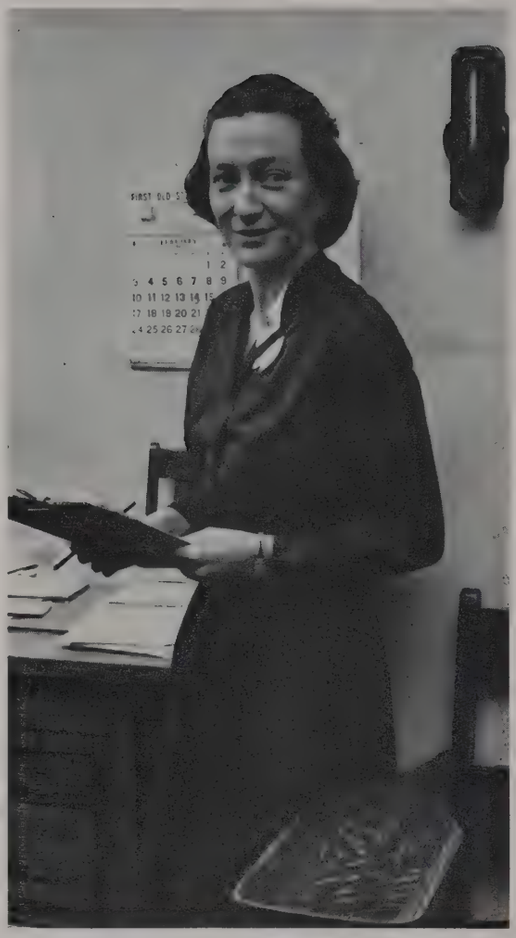

Performing the jobs of overall planning, counselling, and guidance, the combined group of counsellors and deans meets once a week with Mr. Woodruff to discuss various topics. Led by Mr. Kauffman, guidance chairman, this group concerns itself with everything involving the high school. Curriculum, activities, attendance, assemblies, sportsmanship, courtesy, citizenship, policies — all these are involved in the committee's responsibilities.

Besides this overall planning and concern with general problems, six counsellors have three specific duties: program making, college and career advice, and social and personal guidance. Due to the school's crowded and unsatisfactory facilities, program making is an unusually complicated matter requiring many hours of hard work. Counsellors' duties also include availability for advice concerning students' future plans. College suggestions and information, job placement services, advanced training recommendations, consultation for any personal or social problem — these indicate a friendly interest in the students' welfare.

Serving as overall advisors and coordinators, the Dean of Girls, Miss Gookin, and the Dean of Boys, Mr. Rogers, are concerned with special cases; such as, teacher- student, parent-student, and parent-teacher relationships. Attendance, drop-outs, and disciplinary measures are also taken care of by the deans.

Miss Kirkland talks with a senior girl

Miss Jean Bender, school nurse

The EHS guidance plan is also carried out in the homerooms. The purposes of the homeroom are to check on grades and attendance, to administer general tests, and to cooperate with the guidance committee in giving information and help to the students. Together with the homeroom committee, the homeroom chairmen for each grade level plan homeroom programs and group meetings.

Each grade level has a theme around which these programs are planned: *tenth grade,* orientation; *eleventh grade,* vocation; *twelfth grade,* college or career. Homerooms are "closed" on Wednesday of each week to make such informative and helpful programs available to all students.

With such a well-planned guidance program, every student in EHS can feel sure that one or more persons is sincerely interested in his success. Every student has a friend, if he needs or wants one: a dean, a counsellor, a homeroom or classroom teacher, an administrator; they are never too busy to listen and help.

part of a senior's life

HISTORY OF CLASS OF '63

Looking back on our underclass years, we can remember our Sophomore year as a year which began with scared and out of place feelings. As our Sophomore year progressed with our Sophomore picnic, Girl's League, Boy's League, assemblies, and formal dances, we finally began to feel we belonged to and were a part of EHS.

We can remember our spectacular Junior year filled with activities, including the Follies, "Ooops," and the prom, "Paris by Moonlight." The year passed quickly with its many activities, now only wonderful memories.

Our Senior year, the last lap, has been very rewarding. From our class play, "The Happiest Millionaire," to our whirlwind of graduation exercises, our Senior year has been most memorable.

Excused from classes during the last week of school, the Seniors attended Baccalaureate services on June 2 and held their class banquet on June 4. The senior girls were honored at the A.A.U.W. tea on June 3. Finally on June 6, they received their diplomas in an impressive ceremony at the North Side Gym.

One fact adding a note of sadness to the occasion was that this is the last EHS commencement for Principal C. P. Woodruff, who is resigning this year.

CLASS OF 1963

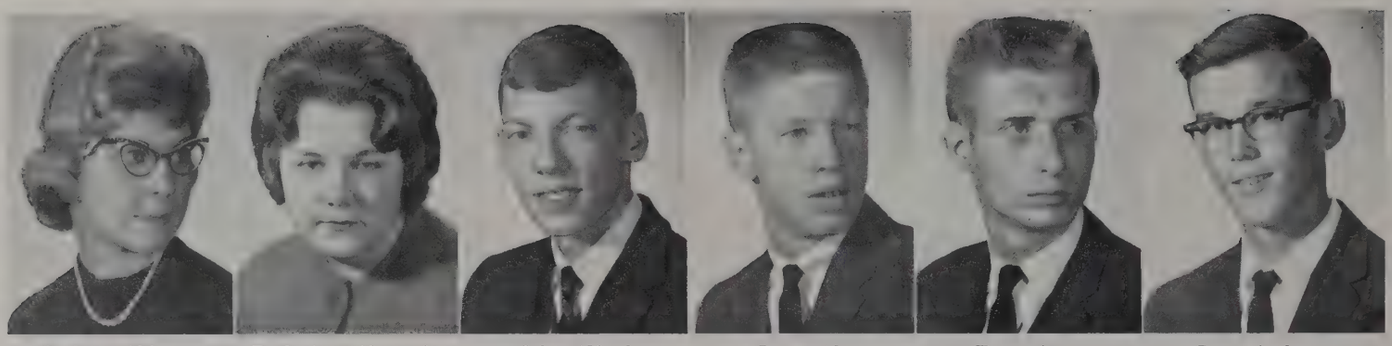

On June 6, 543 seniors received their diplomas at the North Side Gym, and for the last time nostalgically sang the school hymn.

Out of this number many seniors were awarded scholarships, honor students were recognized, and the American Legion Award was presented.

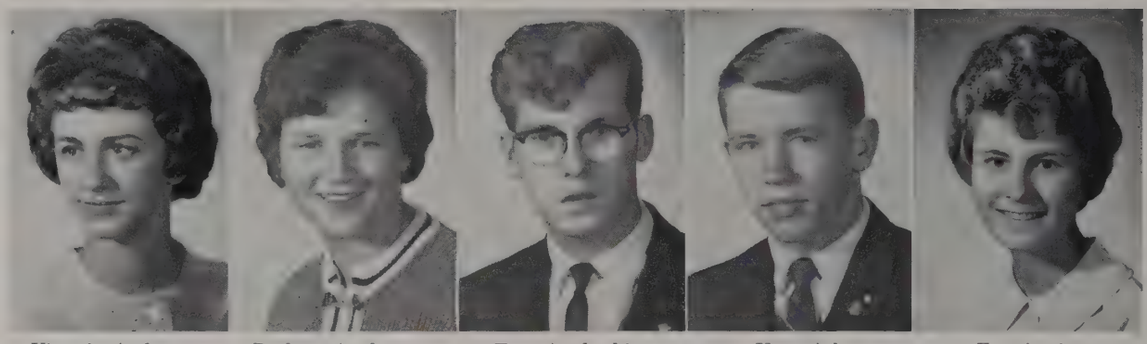

It was a solemn but proud occasion for parents and friends, and the end of a long road of achievement for the graduates.

Scene from the Follies

CLASS OF 1964

This has been a big year for the juniors . . . their successful Follies, their class play, their beautiful prom.

Now, they look ahead to their senior year.

"The Children's Hour"

Mr. Ehrsam and Mr. Hungate

HISTORY OF THE CLASS OF '64

The juniors started their year of activities with the successful production of the Junior Follies, "Channel 64." The theme of the Follies was based on television programs, and the entire script was written by junior class members.

In April the junior class presented "On Borrowed Time," a semi-dramatic play. The story of the play revolved around the capture of Death by Gramps, the main character.

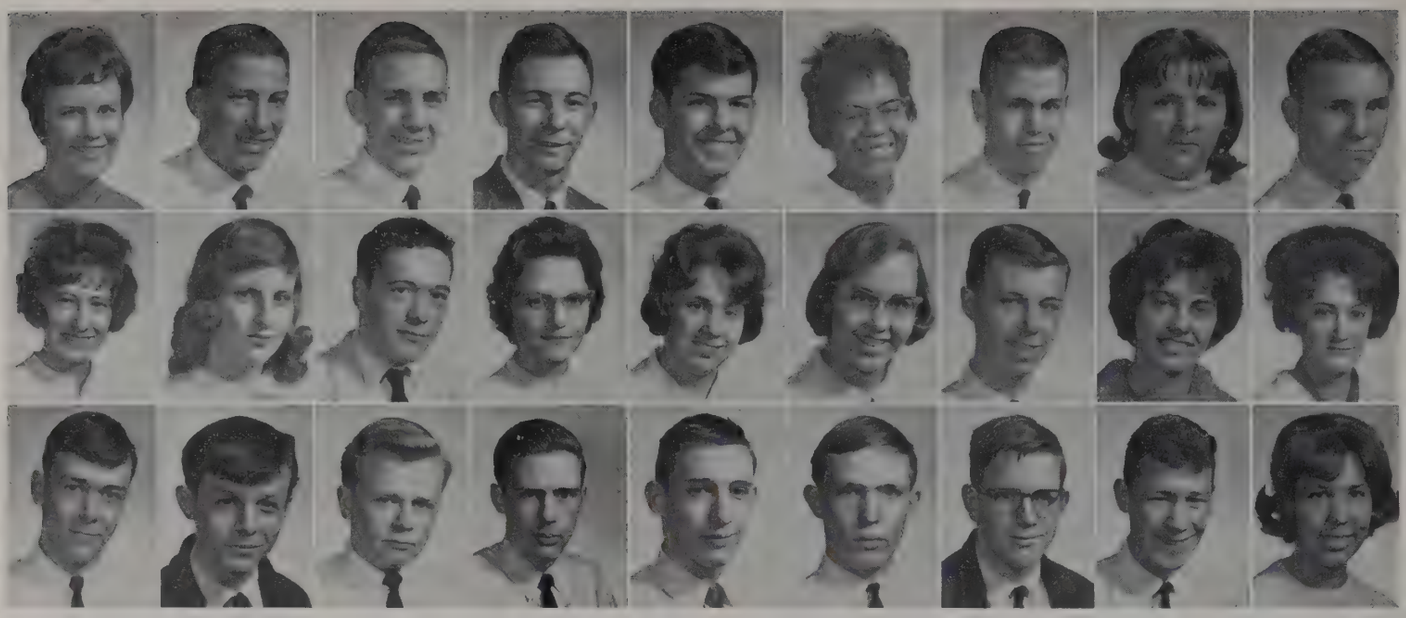

The juniors topped off their year by holding the Junior-Senior Prom on May 18. The theme of the prom was "Over the Rainbow." Decorations were taken from the fantasy *The Wizard of Oz.*

Mr. Hungate was again a sponsor for the Class of '64. A new sponsor for the class this year was Mr. Ehrsam. Both are mathematics teachers. With their help the Junior Class had an enjoyable and successful year of activities.

JUNIOR PROM

On May 18, the Junior Class entertained the Seniors at the traditional Prom held at the North Side Gym. The gym was beautifully decorated to carry out the theme of "Over the Rainbow." These decorations included a silver castle under a multi-colored rainbow, and a gondola balloon in the center of the floor. Guests danced to the music of Mike Leone's Orchestra.

The Prom Committee, headed by Denny Elsen, consisted of nine sub-committees which were: *Decorations,* Vince Terlep and Beth Ann Guina; *Lighting,* Verne Searer; *Tickets,* Bob Rebar; *Refreshments,* Nancy Hughes; *Pictures,* Chuck Richardson; *Slaves,* Tom Miller; *Flowers and Queens,* Marsha Helfrick, and Mary Ann Cormican; *Invitations,* Jeanette Kirts; and *Publicity,* Jeff Conn and Diane Borneman.

CLASS OF 1965

The largest class ever to enter, more than one thousand sophomores came into EHS last fall, got oriented, organized, and are now a fine strong group.

HISTORY OF CLASS OF '65

The activities of the Sophomore Class of 1963 began with the election of officers who were: President, Adrian Powell; Vice-President, Barny Ash; Secretary, Susan Kirts; Treasurer, Caroll Mitchell; Girls' Social Chairman, Nancy Cripe; and Boys' Social Chairman, Jim Yousling.

After collecting dues from one thousand and fifty-five class members, the next job was to choose a theme for next year's Follies. The ideas came in slowly but finally a theme was chosen in April. Students were recruited to perform certain jobs and try-outs were held for the parts. As a result, the 1963 Junior Follies will be a well-prepared one.

In April, next year's officers were chosen. Serving as slaves at the Junior-Senior Prom, Sophs prepared themselves for next year. Also in April, the class rings were chosen.

The class picnic was held at McNaughton Park May 22. Various committees planned games, food, decorations, music, and clean-up. By inviting all the homeroom teachers, the problem of chaperons was solved.

The success of the sophomore class was brought about by the insight and work done by the sponsors, Mrs. Dillen and Mr. McCasland.

Pennant Annual Sales Teams

Since there was not room to list them on the staff page, and since we would like to recognize the seniors who sold yearbook subscriptions, we are listing them here.

For eight weeks, these seniors went into the homerooms twice a week, sold subscriptions, collected money, and kept their records straight.

On delivery day, they will act as a nucleus of the delivery staff.

The eighteen teams were as follows:

Richard Pattitucci and Karen Checkley; Ron Cittadine and Margaret Masse; Dean McDowell and Mary Kline; John Kazmierzak and Ruth Ann Brown; Jerry Perry and Pam Perry; Fred Brandt and Mary Ann Yoder; Larry Kemble and Pat Sutula, and Brent Dowell and Jean Cohen.

Other teams were Dave Pippinger and Pat Shank; John Trautman and Pam Bean; Dave Macfarland and Jane Schwagerman; Ron Minneger and Bonnie Christeon; Page Spray and Carol Kemble; John Chester and Bobbe Wear; Sue Baskerville and Cherryl Callan; Bob Myers and Bill Papa; Bill Chaffee and Jill Yousling, and Breta Woodhull and Celia Williams.

Among the good things that we point to with pride is the whole-hearted support which is given to our EHS publications by the business men of Elkhart.

Our advertisers not only give us financial help in meeting our budget needs, but also give us training, encouragement, and inspiration. We consider them friends, good friends in a good situation.

Junior Advisory Council

The Junior Advisory Council of the Board of Parks and Recreation Department of Elkhart, Indiana, was organized in 1950 by the Superintendent of Parks and Recreation. The Constitution adopted gave it the name of the Municipal Junior Advisory Council.

The objects of the council, as stated in the constitution are as follows:

The objects of this council shall be to foster, promote and extend activities, facilities, high ideals and ethics of conduct in all phases of leisure time in the City of Elkhart. These objects shall be reached through conferences, demonstrations, sponsorships when advisable and other means to provide for the wise use of leisure time.

Membership of the council is composed of five seniors, four juniors and four sophomores of Elkhart High School. Some of the specific activities of the organization are in cooperation with the Y-Teens Council, sponsorship of special activities of the Parks and Recreation Department, sponsorship of the Annual Dinner of the Parks and Recreation, adoption of the code of laws for conduct at dances conducted by the Junior Advisory Council and the Y-Teen Council. The rules of conduct adopted by the two councils are kept in operation during the vacation months in the summer, and the council sponsors summer vacation dances which are held twice a week in one of the parks.

In November the council attended a meeting of the Indiana Board of Parks and Recreation, in Muncie, Indiana, where they heard a discussion on the necessity for more recreation counsel and a bill providing for the same was passed. This was very interesting to the council and a good time was had by all.

Although the Junior Advisory Council is an advisory organization, it wields a great influence in the lives of the young people of Elkhart, through suggestions and conferences and other means to provide for the right use of leisure time.

Absent Were: President, Vice President, Secretary, Sponsor and one council member.
